

Cam Allan

June 3, 1942 -

A native of Guelph, Ontario, Cam Allan's youth was centred around sports, especially baseball. In 1960 he played on Guelph's Ontario Juvenile Championship baseball team, and a year later, coached the Guelph Midget squad to an Intercounty Championship.

He was also junior runner-up at the Guelph Cutten Club golf championship in 1958.

In 1965, after graduating from teacher's college he accepted an offer to teach with the old Galt Board of Education.

For the next three-and-a-half decades he taught at Southwood Secondary School enjoying a career in which he coached various sports.

There he gained a reputation among his peers and colleagues as one of the best coaches in the province, both at the high school level and in the community, where he coached the Galt Junior Pepi's and the Senior Intercounty Terriers.

He also became active in various community endeavors such as the Cambridge Sports Awards, and was one of the founders of the Cambridge Sports Hall of Fame, serving as co-chair with Al Findlay and Dave Menary from 1996 until its opening. This group raised approximately \$200,000 to establish the Cambridge Sports Hall of Fame.

Allan was a beloved teacher, coach and advisor to a couple of generations of students.

In his first year he began coaching football at Southwood, a sport he continued to coach until 1997. During that period his teams captured eight league championships and had a 34-game unbeaten streak from 1973-1977.

From 1979 until 1983 he was GM of the Cambridge Terriers, IBL champs in 1979 and again in 1983.

Allan also proved to be a successful coach for the school's badminton and wrestling teams, sports that, like football, he never played.
